GOLDEN HOUR AT THE NEST

Named after that magical moment when the sun sets, casting its warm, golden glow over London, Golden Hour at The Nest captivates the time of day that captures the natural radiance, visible from The Nest.

To celebrate Golden Hour, we have partnered up with Everleaf, to create three bespoke cocktails, available as both alcoholic and non-alcoholic serves, designed to elevate the spirit, offering a moment of indulgence that mirrors the soothing and restorative properties of nature.

The perfect blend of elegance, relaxation, and nature-inspired charm, soak in the breathtaking views of London from The Nest whilst enjoying these cocktails.

Everleaf was founded by a conservation biologist turned bartender who knows the world's plants and how to use them.

They distil non-alcoholic aperitifs with nature's tastes, textures and aromas so bartenders and consumers can craft great drinks. Everleaf variants take inspiration from the natural world, from the crisp and refreshing notes of Everleaf Marine, to the bittersweet Everleaf Forest, and vibrantly aromatic Everleaf Mountain. Each one has been carefully balanced to offer an intense and complex taste.
