

ABOUT TREEHOUSE HOTELS

Treehouse Hotels was founded on the ideas that inspire a child to build a treehouse. Adventure, independence, cozy spaces and repurposing crafty things are what make a place warm and special. That's why every Treehouse Hotel celebrates found objects, nostalgic tunes, handmade details and locally sourced treats.

TREEHOUSE HOTEL *Silicon Valley*

Treehouse Silicon Valley will be the third hotel within the Treehouse Hotels brand and the first in the US.

Within our Treehouse, every detail is imagined through the carefree, optimistic lens of youth and balanced with a distinctly modern sensibility. With attentive service, locally inspired amenities, thoughtful programming, and several food & beverage offerings, we are about playfulness and freedom.
