PIZZERIA MOZZA FROM CHEF NANCY SILVERTON

A focus on locally sourced, premium, seasonal bounty is at the heart of Pizzeria Mozza, the first UK restaurant from internationally recognised Chef Nancy Silverton which opened at Treehouse Hotel London in August 2021.

Pizzeria Mozza was first established in Los Angeles, an expression of Nancy Silverton's unique aesthetic and approach to cooking: focused but not fussy, straightforward and always uncompromising.

The menu offers Pizzeria Mozza's much loved pizzas – famed for their unique dough recipe and well-structured crusts – as well as a selection of meat and fish dishes, all in celebration of the plentitude and vibrancy of seasonal produce and ingredients available in the UK.

Host relaxed cocktail parties at the Bar with a selection of Mozza's substantial appetisers including Arancine alla Bolognese, White bean bruschetta and Sottocenere al forno. For seated family style entertaining at lunch or dinner, feast on our sharing menus of antipasti, insalata, pizza and dolci prepared in front of you in our open kitchen.

Designed to feel as though you are transported to a wild Mediterranean garden with lush interior planting and trees, the restaurant is an escape from the bustle of historic Regent Street, located adjacent to Treehouse Hotel London.

The restaurant can be hired exclusively for up to 130 guests seated or 200 reception style, alternatively, half of the restaurant can be booked semi-privately for up to 60 guests seated for special occasions that might not need full privacy.

Pizzeria Mozza's cocktail programme is a mix of classic cocktails that contain Italian ingredients and the Mozza signatures.

The predominantly Italian wine list, has been compiled with the authentic Italian food menu in mind. Our Sommelier can guide you through the different regional Italian wines to compliment the selected dishes at your event.
